

Data Protection Declaration in accordance with GDPR

In the framework of the new General Data Protection Regulation, Estonian Academic Agricultural Society (APS) updated its data protection declaration. APS, like many other non-profit scientific organizations, manages a membership list in the aim to offer services like sending Newsletters, managing membership subscriptions, breaking news from APS members.

With the following information we would like to provide you with an overview of our processing of your personal data and your rights.

Who is the controller for the data processing and who can I contact?

Your data are stored and maintained by the APS Secretariat. On issues regarding your data you can contact the APS Secretary or any of the other members of APS's Executive Board.

Which sources and data do we actually use and for what purpose?

We only process personal data that we receive in the course of APS membership subscription in order to ease the distribution of information about APS activities and to follow membership fee payment.

How long do we store your personal data?

We keep personal data until the date of membership fee renewal plus 2 years. Then your entire data are automatically erased from our membership list.

Who benefits from your personal data?

APS is a non-profit organization for the promotion of research and application of the principals of agricultural science. Only you and APS benefits from your personal data.

What rights can you assert?

Every data subject has the following rights in accordance with (UE) 2016/679 GDPR

- the right to access to its personal data
- the right to rectification
- the right to erasure
- the right to restriction of processing
- the right to object arising
- the right to data portability.
- the right to withdraw your consent for us to process personal data at any time
- the right to lodge a complaint with a competent data supervisory authority

Please contact our Secretariat in this regard.
